

Ecliptek Updates REACH 151 Compliance on Two Million Part Number Specific Data Sheets

Evolving REACH standard prompts new feature that allows users to easily retrieve latest part number compliance information

February 12, 2014

Costa Mesa, CA - Ecliptek Corporation has certified most of its products as being compliant with the European Chemicals Agency (ECHA) updated Candidate List of Substances of Very High Concern (SVHC), which was elevated to 151 substances on December 13, 2013. As a result, Ecliptek's unique Part Number Specific Data Sheets, available for over two million parts and growing, have received an updated REACH 151 badge, where applicable.

In addition, Ecliptek's Data Sheets now feature a clickable part number that will enable its customers to quickly obtain the latest compliance and product life cycle information for the part. The new part number hyperlink goes to the Part Number Detail page on Ecliptek's website where customers can view and download up-to-date part number specific compliance documents for REACH, RoHS, and China RoHS.
