

Ecliptek Initiates REACH 163 Analysis of ECHA's Two New SVHC

Oscillator and crystal manufacturer updating over 3,000,000 part number level documents to show compliance with latest revision

July 1, 2015

Costa Mesa, CA – Ecliptek Corporation has launched its evaluation of the European Chemicals Agency's (ECHA) latest Candidate List of Substances of Very High Concern (SVHC). The Candidate List that was updated June 15, 2015 to include two new substances:

- 1,2-benzenedicarboxylic acid, di-C6-10-alkyl esters; 1,2-benzenedicarboxylic acid, mixed decyl and hexyl and octyl diesters with $\geq 0.3\%$ of dihexyl phthalate
- 5-sec-butyl-2-(2,4-dimethylcyclohex-3-en-1-yl)-5-methyl-1,3-dioxane [1], 5-sec-butyl-2-(4,6-dimethylcyclohex-3-en-1-yl)-5-methyl-1,3-dioxane [2] [covering any of the individual stereoisomers of [1] and [2] or any combination thereof]

In order to be compliant to the ECHA regulation, Ecliptek will finalize its impact assessment of the two new substances and complete the updating of the automated REACH documentation on its website on or before August 15, 2015.

Part number specific information will be integrated into Ecliptek's automated website tools, including the [SmartSearch](#) app. Ecliptek's [advanced self-service documentation tools](#) provide easy access to Data Sheets, REACH, RoHS, China RoHS, IPC-1752 Material Declarations, Qualification and Reliability Reports, and Conflict Mineral documentation on over 3 million verified Ecliptek part numbers.

Ecliptek's customers can generate a Part Number Specific REACH Compliance Statement or view the REACH Compliance Status on every part number or series level data sheet. Users who prefer to download and save the PDF Part Number Specific Data Sheets for future reference can click on the update link within the document that will display the latest compliance information.

About Ecliptek

Founded in 1987, Ecliptek has become a leading supplier of frequency control products to the electronics industry. Ecliptek provides complete engineering support, unparalleled customer service and innovative products to their OEM customers and distributors worldwide. Complete information on company operations or any of Ecliptek's quality frequency control devices can be obtained by visiting Ecliptek's internet site at www.ecliptek.com. The company's Email address is customersupport@ecliptek.com.
